

Copmanthorpe Neighbourhood Plan

Dear Fellow Resident,

You will be aware that City of York Council is planning nearly 600 new houses for Copmanthorpe in its draft Local Plan. In our housing growth survey last October you told us the amount and locations of new housing which you thought should be built in Copmanthorpe. The results of that survey are at www.plan4copmanthorpe.org.uk.

We now need to know the level of housing need in Copmanthorpe so that we can assess the types of housing we should plan for. We also need to know where residents travel to so that we can plan for traffic improvements in the village.

We would be grateful if you could take a few minutes to answer the following questions. The information you provide will be extremely valuable in helping us to finalise Copmanthorpe's Neighbourhood Plan.

Thank you - Copmanthorpe Parish Council
